

# PALMETTO PANTHER BASEBALL

Dear Palmetto Panther Fan,

On Saturday, May 15, 2010, the Palmetto Panther Varsity, JV and Freshman baseball teams, along with the Baseball Booster Club, will host their First Annual Dolphin Fishing Tournament at Black Point Marina.

There are several opportunities to participate in the fishing tournament including registering a boat with up to four anglers, various corporate sponsorship levels and donations for a silent auction or raffle. All sponsors will be recognized at the tournament, on our baseball website and in our yearbook. Corporate level sponsors will also be promoted with their printed logo on the official tournament shirts and all sponsors will have the opportunity to provide promotional material to be distributed to all participating anglers.

Additional information, including angler registration and corporate sponsorships, and payment by credit card is available online at [www.PalmettoPanthersBaseball.com](http://www.PalmettoPanthersBaseball.com). For questions, please send an e-mail to [PalmettoBaseball@bellsouth.net](mailto:PalmettoBaseball@bellsouth.net).

High school sports provide the opportunity to reach and motivate young people by drawing students together to compete while learning valuable lessons in perseverance, pride, respect, commitment to excellence, teamwork, sportsmanship and leadership. You are probably aware, funding for high school athletics has been greatly reduced the past several years, and even more so this year. As a result, fundraising for equipment, uniforms, field rentals and repairs, and travel expenses have become the responsibility of our student athletes and families.

Participation and support of the Palmetto Panther Baseball Dolphin Fishing Tournament will help raise the necessary funds to support the athletic program and provide greater opportunity for all our student athletes. Your generous support is greatly appreciated.

Sincerely,

Palmetto Panther Baseball  
First Annual Dolphin Fishing Tournament Committee
